If March 19th is the date that would work, I'll make it work. I don't want to delay the meeting into April

Cheers!

Bill

SMP has requested that we hold the workshop after Mar 17. Something about a levy campaign that a lot of their staff are involved in. It was looking like Mar 19 may be the date, but that doesn't work for you and you are critical to have at the meeting. We may have to push this into early April...
